Welcome To Our Company Profile

Richard Gasparly Anselemi, Esq.

Chief Executive Officer,
Kasimbagu Consultancy Agency

ABOUT US

Kasimbagu Consultancy Agency is a multidisciplinary firm committed to delivering high-quality legal, business, and academic consulting services tailored to the evolving needs of clients across Tanzania and beyond. Established in 2021, the agency has built a reputation for excellence, innovation, and integrity in both public and private sectors.

We specialize in corporate advisory, legal compliance, and institutional support through offering end-to-end services that include business registration, licensing, tax compliance, regulatory filings, and organizational structuring. Our expertise spans the full spectrum of corporate operations in Tanzania, from BRELA registration and TIN acquisition to NGO setup, microfinance licensing, and tourism company certification.

In addition to our corporate services, we provide academic and research consultancy, professional documentation (CVs, proposals, reference letters), and strategic support for individuals and institutions seeking growth, legitimacy, and impact. Our approach is client-centered, results-driven, and grounded in a deep understanding of Tanzanian regulatory frameworks and development priorities.

Kasimbagu Consultancy Agency is more than a service provider; we are a trusted partner in building compliant, resilient, and forward-looking organizations.

VISION & MISSION STATEMENT

OUR VISION

To become Africa's leading consultancy firm—empowering clients through innovative, reliable, and transformative services.

MISSION STATEMENT

To deliver high-quality, client-centered consultancy in legal, business, and academic domains. We strive for excellence, compliance, and sustainable growth in every engagement.

TARGETED CLIENTS

JOINT VENTURE COMPANIES

Whether local or international, joint ventures often face complex registration and compliance challenges. We can help partners align legally, draft clear agreements, and navigate multi-party obligations with confidence.

GENERAL PARTNERSHIPS

Many partnerships operate informally and risk legal exposure. We can support you in formalizing structure, registering with BRELA, and setting up tax compliance—so you can focus on growing together.

LIMITED LIABILITY PARTNERSHIPS (LLPS)

These hybrid entities need careful documentation and legal clarity. Our expertise in contract drafting and regulatory compliance makes us the ideal advisor for LLPs seeking structure and protection.

INTERNATIONAL COLLABORATIONS

Cross-border partnerships often struggle with local legal frameworks. We can bridge the gap by offering tailored legal aid, registration services, and compliance support for foreign entities working in Tanzania.

CONSTRUCTION & REAL ESTATE PARTNERSHIPS

These ventures require strong legal foundations to manage risk and investment. Our services in contract drafting, tax setup, and business licensing are essential for smooth operations.

RESEARCH & INNOVATION COLLABORATIVES

Universities, NGOs, and private firms often team up for joint research or pilot programs. We can support you with MoUs, concept notes, and legal frameworks that protect intellectual property and clarify roles.

COMMUNITY-BASED ORGANIZATIONS (CBOs)

CBOs are bound to navigate registration, compliance, and governance structures. Our tailored support will empower your organization to formalize work and access funding.

GOVERNMENT INSTITUTIONS

With the dynamic changes the country is having on its legal sphere, government institutions are also bound to ensure strictly compliance. Our Firm will always be ready to offer assistance whenever being engaged.

ACADEMIC RESEARCHERS & GRADUATE STUDENTS

Whether you're drafting proposals, concept notes, or business plans, our research and writing services are a lifeline for scholars aiming to publish, apply for grants, or launch initiatives.

STARTUPS & SMALL BUSINESS OWNERS

From company registration to tax compliance and business licensing, we're the go-to partner for entrepreneurs who want to build legally sound and scalable ventures.

TOURISM OPERATORS & TRAVEL STARTUPS

With our expertise in securing TALA licenses, BRELA registration, and tax setup, we're perfectly positioned to support Tanzania's growing tourism sector.

INTERNATIONAL DEVELOPMENT PARTNERS

Organizations working in Tanzania need local legal insight and gender-responsive frameworks. Our consultancy bridges the gap between global goals and local realities.

IMPORT/EXPORT & LOGISTICS COMPANIES

Navigating TRA, BRELA, and licensing requirements can be a maze. We're the guide you need to stay compliant and competitive in cross-border trade.

AGRIBUSINESS & FOOD PROCESSING COMPANIES

From cooperatives to private processors, these businesses benefit from our support in registration, compliance, and business planning—especially when scaling or seeking funding.

RETAIL & WHOLESALE TRADERS

From small shops to large distributors, many traders struggle with business licensing and tax setup. We can help you formalize operations and grow sustainably.

WHY CHOOSE US?

WE MAKE LEGAL AND BUSINESS SERVICES FEEL APPROACHABLE

No jargon, no confusion; just clear, practical support. Whether you're registering a company, applying for a visa, or drafting a contract, we guide you step-by-step with care and clarity.

1.

2.

WE TAILOR EVERY SERVICE TO FIT YOU

We don't believe in one-size-fits-all. Every client to us whether a student, startup, NGO, or joint venture gets personalized solutions that match their goals, sector, and stage of growth.

WE COMBINE EXPERTISE WITH INTEGRITY

Our team brings deep knowledge in law, business, and research but we also bring honesty, professionalism, and confidentiality. You can trust us to get it right and keep it ethical.

3.

4.

WE BUILD RELATIONSHIPS, NOT JUST DOCUMENTS

We're here for the long haul. Clients come to us for services but stay with us for the support, responsiveness, and genuine care we offer throughout their journey.

WE TURN RESEARCH INTO REAL-WORLD IMPACT

From policy briefs to gender audits, our consultancy work is grounded in evidence and designed for action. We help organizations make informed decisions, improve compliance, and drive social change locally and globally.

5.

6.

WE OFFER END-TO-END SUPPORT

From registration to tax compliance, from concept notes to visa applications we don't just offer one service, we walk with you through the entire journey.

WE HELP YOU GROW, NOT JUST COMPLY

Our goal isn't just to tick boxes it's to help you thrive. Whether you're launching a business, scaling a nonprofit, or applying for a fellowship, we provide strategic guidance that supports long-term success, yet comply with the legal requirements.
